Mr. Peter Sprigg

Dear Mr. Sprigg:

Thank you for your six years of service to the Citizens Advisory Committee on Family Life and Human Development. This important effort requires committed citizens willing to give their time and energy to support meaningful educational opportunities for all students. I want to personally thank you for your willingness to engage in the sometimes difficult work of ensuring that Montgomery County Public Schools' students have access to the strongest possible curriculum. The committee often deals with issues that evoke strong emotions and your thoughtful participation in the committee's work helped create a collaborative environment. Your commitment to the work of the committee is appreciated.

Sincerely,

Joshua P. Starr, Ed.D.  
Superintendent of Schools
